## Torii Outdoor Dining Table

The Torii outdoor dining table is designed to match perfectly with the rest of the Torii range. The shape continues the along the same clean lines with a very open feel, and a beautifully shaped 3-leg base.

The table is constructed of solid, moulded teak wood frame with a slatted tabletop, perfect for outdoor use.

The Torii tables can be paired with the Torii outdoor dining chairs to create a functional and beautiful outdoor setting, perfect for pool decks or cafes.

The Logg Dining Table is manufactured in Indonesia from sustainably sourced, legally harvested, and traceable wood sources.
